Palate:	Raspberries, blueberries complemented with savory spice and soft dusty tannins.

Cellar:	10 Years
----------------	----------

Growing Season Notes

A wet start to the growing season set the vineyard up with a strong start. The hot beginning to summer created the perfect growing season across the region. With an abundance of blossom, bird pressure was low allowing for early precision canopy and crop management. This gave the fruit optimal opportunity to achieve flavour before being harvested.

Vineyard Information

Soil Type:	Lateritic gravel/loam
Orientation:	North-South facing
Pruning Method:	Cane pruned
Yield:	6.5 ton per hectare

Production Notes

Harvest:	Handpicked
