Vineyard Notes

The 2019 vintage in Margaret River was milder than average. High bird pressure and humidity were mitigated through careful crop management and the early application of bird netting. The cooler season allowed slow ripening of grapes and longer picking windows for optimal grape development favouring intensity of flavour and aroma.

Production Notes

Handpicked from our single site vineyard, the fruit is processed over our sorting table to ensure that only the best fruit is allowed through to fermentation. Spending 14 months in a mixture of new and older oak barriques allowed for the wine to develop and create a complex, juicy and well-rounded palate.

Food Pairing Notes:

Sticky pork spare ribs

Winemakers: Nathan Bailey, Angus Pattullo
