Vineyard Notes

The 2020 vintage in Margaret River was one of the best the region had seen in many years. With lower rainfall and higher than average temperatures it allowed for a perfect growing season. No early bird pressure and precision crop management gave the fruit optimal opportunity to achieve full flavour ripeness. The great growing season can easily be seen in the fruit profiles that this wine displays.

Production Notes

The fruit is selected from the best block of Cabernet Sauvignon located on our single site vineyard. Hand harvested and processed over our sorting table into stainless steel fermenters where the wine was left on skins for 21 days to create a depth of colour and flavour. Once the fermentation process was complete the wine was pressed off skins and transferred into premium Bordeaux barriques of which 50% is new oak for 18 months maturation. Post maturation the best barrels are selected, blended and bottled in November 2020

Food Pairing Notes

Chargrilled ribeye, hasselback garlic potatoes, roasted asparagus

Winemakers: Nathan Bailey and Angus Pattullo
